What Can Be 'Known'?

Can anything really be 'known'?

Some claim a monopoly on knowledge (!)

We all make knowledge 'choices'

Based upon acceptable warrant!

We should consider all the facts...

...to make the appropriate choices

**"Now faith is being sure of what we hope for and certain of what we do not see."
Hebrews 11:1**

Christianity: The Bible / Jesus

Sum It Up: Our A-B-C's

“From one man he made every nation of men, that they should inhabit the whole earth; and he determined the times set for them and the exact places where they should live. God did this so that men would seek him and perhaps reach out for him and find him, though he is not far from each one of us.” Acts 17:26-27

“He has also set eternity in the hearts of men...” Ecclesiastes 3:11

'Anthropic Principle'

Not at war with 'science', only Naturalism

"For since the creation of the world, God's invisible qualities – His eternal power and divine nature – have been clearly seen, being understood from what has been made, so that men are without excuse" Romans 1:20

Internal Evidences – Our Religious Impulse

What We're Looking For

- What is the 'really real'?
- What is a human being?
- What happens at death?
- How is it possible to know anything?
- How do we know right from wrong?
- What if we do not 'think' about these questions?

An Opener: "Are these reasonable questions?"

A Better One: "Do you have a better alternative?"

Internal Evidences – Our Religious Impulse

Lesson Summary

We can have reliable internal knowledge

We all have a religious instinct

This causes us to look for answers

**Christianity provides an adequate Special
Revelation (answers)**

**God placed these questions in our hearts so
we would seek Him**

Next Week: The Existence of God

Consideration for next week: Can we KNOW God exists and what He's like?
